### Life Teen 2nd Annual Global Life Night!

### give it away now

**What:** Global Life Night (Give It Away Now) - Life Teen parishes around the world doing the same Life Night and canned food drive for your local St. Vincent DePaul food bank.

**Goals:** 400 parishes participating, 200,000 non-perishable food items donated (an average of 500 items per parish)

**Why:** We are a global family, a movement led by the Holy Spirit. As we create an awareness of poverty, hunger and lack of nutrition in our own communities, our global effort joins together us as one body of Christ, allowing us to be his hands and feet in the world.
